Re: Case #2015-391: 500 E. Martinez St.
Conceptual Approval

Dear HDRC Commissioners,

The King William Association Architectural Advisory Committee met to review the project and concurs with the OHP staff recommendation for approval. We recommend that a low landscape buffer (2'-3' tall) along Chavez Blvd. be incorporated to screen the cars.

Best Regards,

Mickey Conrad, AIA
Chair, Architectural Advisory Committee

Harry Shafer
President, KWA Board of Directors
