Re: Case #2015-5958: 639 Mission St. – *King William Historic District*
Certificate of Appropriateness

Dear HDRC Commissioners,

The King William Association Architectural Advisory Committee met with the applicant on 11/2/15 and without the applicant on 11/16/15 to review the project and concurs with the OHP staff administrative approval to replace the existing chain link fence along Eagleland with a 6 foot high wood fence of the design proposed by the applicant. The AAC also concurs with OHP recommendation that the remaining portion of the side yard fence along Eagleland be limited to 3 feet high in accordance with the Historic Guidelines.

Best Regards,

Mickey Conrad, AIA
Chair, Architectural Advisory Committee
