The mission of the KWA is to preserve the historic and residential nature of the neighborhood by fostering educational, recreational and cultural activities. We do that by designating 15% of the net KW Fair profits to grants. We also fund free concerts in the park, art exhibits, lectures, a sidewalk repair fund, a small emergency home repair fund, and we are moving to designate the Big Pig of Historic Significance. Your Sponsorship will help fund our operating budget and enable us to continue our mission in Texas' first residential historic district!
